

Jason Turner

I have been a member here at Second Presbyterian for two years. I am extremely passionate about people coming to know Jesus in a way that places them on a mission for the glory of God. When I am not working you will find me spending time with my husband Keith as well as family and friends.

There are many different things that I enjoy doing from walking trails, camping, yard work and spending time with friends and family. Moreover, I do enjoy going to the gym daily so I can eat whatever I want.
